

## 2 Day Advanced Tactical Handgun

Now that you have a solid foundation of hand gunning skills from our 4-Day Defensive Handgun, elevate your skills to the next level with the Advanced Tactical Handgun.<sup>SM</sup>

Cost: \$550.00

*Prerequisite Class(s):* Graduate Certificate in the 4-Day Defensive Handgun or 2-Day Handgun Skill Builder course.

If you understand the importance of keeping your weapon craft skills sharp, this tactical pistol course is for you! It provides the advanced training needed to keep the law enforcement officer and private citizen highly tuned and ready to handle the most challenging armed encounter.

Range drills focus on Close-Contact Shooting; Moving and Shooting; Moving targets; Cover and Concealment; Shooting from Vehicles; Precision-Distance Shooting; Low Light and Night Shooting.

You will complete seven different live-fire tactical exercises under the one-on-one supervision of a KLA TACTICAL instructor. Three of these exercises are run at night. The tactical scenarios change with each course date to keep you in top form with new and challenging scenarios to experience.

600 rounds of ammunition required MINIMAL
