

4 Day Defensive Handgun

This fast paced and exciting course is for law enforcement officers, military personnel and private citizens who want a complete understanding of the defensive handgun and a skill level that surpasses 95% of those who carry a gun for a living.

Cost: \$750.00

Prerequisite Class(s): None

Regardless of your experience prior to entering this course, upon completion, your gun handling, marksmanship, and tactical skills will be better than they have ever been and you will be able to safely and easily draw your weapon from a CONCEALED holster and fire two, sighted shots to the center of a target 5 yards away - all under 1.5 seconds! That`s right, from a concealed holster in 1.5 seconds!

You will understand the principles of tactics and have multiple opportunities to use your acquired skills under the stress of simulated, lethal encounters. This course is a must for anyone who chooses to own or carry a handgun for self defense.

Lecture Topics and Firing Range Drills:

As outlined in Two-Day Defensive Handgun with added emphasis on Concealed Carry; Low Light and Night Shooting; Tactical Training Simulation using Realistic Reactive Targets in Shoot/No Shoot Scenarios; and Target Engagement from Arms Length to 25 yards under Time Pressure.

Course also includes Evening Supplemental Lectures on Shotgun and Rifle topics with Staff Social, Single Elimination Shoot-off, and Distinguished Graduate Skills Evaluation.

1000 rounds of ammunition required. 10% discount on in house ammunition
