An intensive five day class encompassing elements of the Four Day Defensive Handgun, Advanced Tactical Handgun, and One Day Concealed Carry Class into a Single Course.

Cost: \$1,500.00

Prerequisite Class(s): None

Regardless of your experience prior to

Entering this course, upon completion, your gun handling, marksmanship, and tactical skills will be better than they have ever been and you will be able to safely and easily draw your weapon from a CONCEALED holster and fire two, sighted shots to the center of a target 5 yards away - all under 1.5 seconds! That`s right, from a concealed holster in 1.5 seconds!

You will understand the principles of tactics and have multiple opportunities to use your acquired skills under the stress of simulated, lethal encounters. This course is a must for anyone who chooses to own or carry a handgun for self defense.

Lecture Topics and Firing Range Drills:

Emphasis is placed on Concealed Carry; Low Light and Night Shooting; Tactical Training Simulations using Realistic, Reactive Targets in Shoot/No-Shoot Scenarios; Target Engagement from Arms Length (Close Contact) to 100 yards under Time Pressure, Moving and Shooting; and making effective use of Cover and Concealment. You will complete tactical simulators under the one-on-one supervision of a Front Sight instructor.

If you understand the importance of keeping your weapon craft skills sharp, this course is for you! It provides the advanced training needed to keep the law enforcement officer and private citizen highly tuned and ready to handle the most challenging armed encounter.
